

Got biofilm, get Intercept®

Endoscope processing the way it should be

MEDIVATORS®

Why pay for expensive multi-enzyme detergents when they're not needed?

Intercept® Detergent...

- Provides superior removal of biological and organic soils*
- Effectively penetrates bacterial biofilms found on and in endoscopes
- Meets endoscope manufacturers' criteria for endoscope detergents
- Cost-effective, concentrated formula reduces per-use cost
- Blue-tint for easy identification of dispensed detergent
- Environmentally responsible and biodegradable

*Data available on request

Intercept® Wipes ...

- Provide superior cleaning of endoscope surfaces
- Lint-free, durable and highly absorbent wipes
- Large 7 x 10" wipe for increased cleaning surface area
- Supplied ready to use in a convenient dispensing container
- Low per-use cost for effective endoscope cleaning
